

**G**ood friends are good listeners and because of that GOD speaks to us through them.

“If Jesus is really GOD, and He really died for us, and we are really forgiven ... **THEN** everything is really going to be ok.”

That’s really good, isn’t it?

These were the words my good friend shared with me. On a day when I really needed to hear this, he listened and brought up something he’d read that meant something to him. Perhaps it really helped him before when he first read it?

To me, it's the kind of simple yet profound wisdom that comes from the Bible. No wonder my friend calls it a **“Must Read.”**

*“People do not live by bread alone, but by every word that comes from the mouth of God.”*

Matthew 4:4 NLT
