

How much is the Bible a blessing to you? Would you say its a lot or its a little?

When I asked the admin. at the doctors office I got the impression that for her and her family ... its a LOT! With a big smile she said, "it's a blessing!" You could tell there was a personal connection with the Bible in her response. What exactly do I mean by that? I think it shows when someone knows the Author. Kind of like what these folks felt like:

"When they saw the courage of Peter and John and realized that they were unschooled, ordinary men, they were astonished and

*they took note that these men had been with
Jesus.”*
