

The background picture of The 30 is the monolithic foundation stones of Baalbek. No modern crane on this planet could lift them into place. They're HUGE. How did they get there? It's an ancient mystery that we live with.

The 30 are prophecies about the Messiah in the Bible. They're HUGE too. I've listed them on the word art for reference. Not just ANYONE can claim fulfillment of these prophecies, but Jesus Christ can.

“The stone that the builders rejected has now become the cornerstone.”

Psalm 118:22 NLT

Consider Jesus. Who else could it be?
