

I don't know about you, but I just can't believe in the existence of the Bigfoot. Yet i have watched a documentary or two. OK, OK ... I've probably watched more than a dozen. I'm not the least bit skeptical. I'd say I'm more entertained than anything else.

I am not saying Jesus is like the Sasquatch.

Think about it for a moment. People follow the idea of Bigfoot. You might even say they skeptically follow.

With Jesus, people follow more than just an idea. If we are consumed in life by a mere idea we are intrigued. Our thinking is occupied and we may even be entertained.

A gladiator once asked, “Are you not entertained?” Haha ... sorry for the movie quote.

This life is so FULL of entertainment. But it is all so EMPTY at the same time.

So what do we do?

*“Don’t let anyone capture you with empty philosophies and high-sounding nonsense that come from human thinking and from the spiritual powers of this world, rather than from Christ. For in Christ lives all the fullness of God in a human body. So you also are complete through your union with Christ, who is the head over every ruler and authority.”*

Colossians 2: 8-10 NLT

With Jesus, people follow more than just an idea. It’s a whole new identity. One that lasts forever.

It’s because of forgiveness. Jesus takes our sins away ... forever.
