

What if that was you, hanging
from the bottom of the earth ...

Upside Down?

“This foolish plan of God is wiser than the wisest of human plans, and God’s weakness is stronger than the greatest of human strength.”

1 Corinthians 1:25 NLT

Maybe things really are upside down this side of eternity? When we get to heaven is when our feet get set on the rock, right side up. And then, for the first time we see things as they were always meant to be?

Perhaps we only get glimpses of heaven on earth? Moments when our eyes are open. The eyes of our hearts, that is.

What do we see when that happens?

I think we see life's singular purpose, to trust GOD.

Years ago I would've written that our purpose was ... to know GOD.

But who can REALLY know GOD?

Sure, we can start getting to know GOD in this life but we will barely be scratching the surface. If the ancients literally lived to be 8 to 9 centuries old, you would think

many would have a beautiful, deeply satisfying relationship with GOD when they died. But life isn't about how long you live. It's really about walking with GOD.

I like Enoch's story. It's shorter than the rest. He ONLY lived for 3+ centuries!

“When Enoch was 65 years old, he became the father of Methuselah. After the birth of Methuselah, Enoch lived in close fellowship with God for another 300 years, and he had other sons and daughters. Enoch lived 365 years, walking in close fellowship with God. Then one day he disappeared, because God took him.”

Genesis 5:21-24 NLT

What does it mean to walk with GOD?

Surrender all to Jesus Christ. Let go. 100%.

Then it won't matter if you're
Upside Down.
