

My crazy simple acronym for the Bible:

C ... Cosmology

H ... Historicity

R ... Redemption

I Inspiration

S ... Savior

T ... Transcripts

All sacred books have an account of Cosmology (C), how the Universe came into being.

All sacred books have an account of human History (H).

All sacred books offer Redemption (R) freely to those who believe in GOD as their Savior. OOPS. Wait a minute! That's just the Bible.

All sacred books have a account that is Inspired (I).

All sacred books present an offer to us all of redemption, the forgiveness of our sins, by believing in GOD as our Savior (S). OOPS. Wait a minute! That's just the Bible.

All sacred books have an account documented with Transcripts (T).

GOD knew we could never pay the DEBT of our sin on our own.

“having canceled the charge of our legal indebtedness, which stood against us and condemned us; he has taken it away, nailing it to the cross.”

Colossians 2:14 NIV

The Bible offers Redemption through the only Savior. CHRIST.

“Salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved.”

Acts 4:12 NIV

Our salvation is in His name! The reason it's the only name under heaven by which

we're saved by is that Jesus Christ is the only Savior to have come to earth to make

The Point

And what's the point? I think it's ...

GOD is love.

My first book addresses the claim that Jesus Christ is one of many Saviors. I gave it a rather long title:

“it’s GOD’s BiG SHOW or we’re just here for the coffee and the cookies”

<https://www.amazon.com/Gods-Show-were-COFFEE-COOKIES/dp/1530457580>

As I did my research to write my book I discovered something amazing. Jesus Christ has no rival. There has been EXACTLY ZERO Saviors from mythology and religion that have a testimony in the REAL WORLD.

Except you-know-who.
